Hi Annie,

The meeting notice has been sent. Please check with Chuck to see who will be representing the Drug Lab. Also, ask Chuck if you should be on the distribution list. I didn't ask the Supervisors and Directors to update the distribution list since the last meeting.

Last month I think you and Della were there? I don't think I sent either of you the minutes, my apologies. Belatedly, here are the minutes from last month.

Thanks,
Peggy DiNatale

Hi Peggy,

Have you scheduled the next QI Meeting? If you have, could you let me know when it will be held.

-Thanks,
Annie
